

SHALL NOT PERISH

September 13 – October 5 2014

Window Studio presents its inaugural exhibition, *Shall Not Perish*, showcasing contemporary artwork from the battlefields of today's streets. In response to current global crises, the work urgently calls for social equality in order to establish, for once and for all, a "government of the people, by the people, for the people."

Window Studio is a neighborhood art center in Bedford-Stuyvesant, Brooklyn creating a new paradigm of community art. Window Studio invites passersby and local residents to watch artists at work in the studio on a daily basis. Visitors of all ages are welcome to come in to discuss the artwork in progress, and make art themselves, bringing art as an aesthetic experience and a social practice into the context of everyday life. **BE PART OF THE PICTURE!**
